Under no circumstances can Agnes Candelabras be mounted on normally flammable surfaces.
Suitable for dry, indoor use only.
Maximum ambient temperatures: 25° C

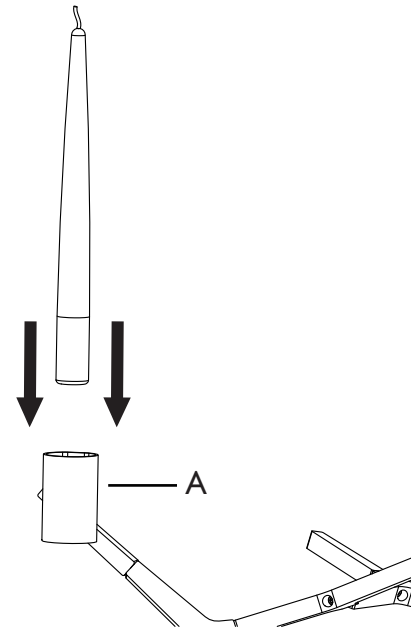

AGNES CANDELABRA INSTALLATION

Updated 16SEPT2019

1. Ensure that all the candle cups (A) are facing straight up. Any that aren't should be rotated to face up.

2. Place the candles into the candle cup (A) as show to the right. Repeat for the remaining 8 candle cups.

AGNES CANDELABRA INSTALLATION

Updated 16SEPT2019

3. Once all the candle cups are facing straight up with a candle in place, the candles can be lit. Note the safety information on the bottom of the first page.
