TERMS & CONDITIONS

DEPOSIT

Orders require a 50% non-refundable deposit.

LEAD TIMES AND PRICES

All prices are in GBP. The Price Sheet is subject to change without notice. All lead times correspond to the published lead times on the Roll & Hill Price Sheet or product page. Lead times are estimates. We do our best to meet these lead times, but products can occasionally become backordered or delayed. Lead times are calculated from the date of the receipt of payment. Goods will ship when the invoice is paid in full.

QUICK SHIP / IN STOCK

Quick Ship orders require pre-approval from Roll & Hill. Limited quantities are available. Products in this program are subject to change. Quick Ship option must be specified at the time of order and be paid in full. No cancellations will be accepted on Quick Ship orders. Quick Ship orders typically ship within 2 weeks. Please contact Roll & Hill for availability.

RUSH ORDERS

Orders can be rushed for a fee of 25%. Rush orders require pre-approval from Roll & Hill as not all items can be rushed. Rush orders typically will reduce a lead time in half. Rush orders must be paid in full before production can begin. No cancellations will be accepted on rush orders. Please contact Roll & Hill for approval.

PAYMENT METHODS

Payments by wire or check are accepted with no charge. Roll & Hill will not be responsible for the cost of outgoing wire fees charged by the customer's bank or intermediary banks. Payments made by credit card are subject to a 3% processing fee.

CUSTOM PROJECTS

In certain cases, products may be customized. Custom fees start at the greater of 25% of the retail value or £2,000. Custom projects may require a lead time of 16 weeks or longer. Please contact Roll & Hill for a custom estimate.

SHIPPING

Shipping is the responsibility of the customer. If requested, shipping can be arranged by Roll & Hill. Standard air shipments within the United Kingdom and Eurozone will be billed at 10% of the retail value of the order. Shipments of parts (e.g., stems, glass, bulbs) may require a separate shipping quote. Any shipments outside the United Kingdom and Eurozone require a separate shipping quote. Any expedited shipping will be charged separately. All other fees, including, but not limited to, customs, VAT, taxes and applicable charges, are the responsibility of the customer. Any liability for transport damage on international shipments is responsibility of the customer.

All damage claims must be made in writing within 5 business days of receipt of goods. If damage has occurred in shipping, all packaging must be retained by receiver. Failure to do so may invalidate any claim.

DROPSHIP POLICY

Roll & Hill will dropship orders on request. A £40 dropship fee will be applied to all orders under £500.

RETURNS

Roll & Hill does not offer refunds. Returns will be accepted within 10 business days only for company credit or exchange. Items must be in original unused condition. Items must be returned with intact, original packaging only. There is a 15% restocking fee for all returned items. There are no returns accepted on sale, clearance, discontinued products or custom orders. These items are considered final sale. Customer is responsible for all shipping charges incurred. Credits are valid for a period of two years from date of original purchase.

ORDER CANCELLATIONS

Cancellations must be made within 5 business days of confirmation of order. Cancellations of a custom order must be made within 2 business days of confirmation of order. No cancellations will be accepted after the above grace periods. No cancellations will be accepted on Quick Ship or rush orders.

STORAGE

Customers will receive notification as to the date of order completion. If shipment is not made within 30 days of the completion date due to lack of payment or customer request, Roll & Hill reserves the right to transfer the merchandise to storage. Customer bears the risk of loss or damage and all costs incurred by such transfer and storage. In addition, R&H may charge a monthly storage fee equal to the greater of 3% of the order amount or £100. If shipment is not made within 120 days, R&H reserves the right to reallocate the product and cancel the order.

NOTE

All sales must be made pursuant to the Company's standard reseller terms and conditions as in effect from time to time, which can be found at <http://resources.rollandhill.com/media/Reseller-Terms-and-Conditions.pdf>
